

Together, We Did Succeed! The recent agreement between the Ontario Government and St Marys Cement brings an end to the proposed Flamborough quarry and all the associated legal proceedings.

After significant investment to protect our safe, clean environment and the place we call home, we now have the pleasant task of positively investing the remaining Community Funds, estimated to be in the range of \$150 – 200k. As a not-for-profit organization, FORCE is required to distribute the funds consistent with its founding mandate.

Your views on how best to distribute the funds to benefit our Communities are important. Please take a few minutes and complete the following brief survey.
