Dear Ms. Wessam:

**Re: St. Marys/Friends of Rural Communities and the Environment
v. Director, Ministry of the Environment
Case No. 10-031**

We are counsel to Friends of Rural Communities and the Environment ("FORCE"). Members of FORCE take their drinking water from the same aquifer which St. Marys wishes to access by way of the Permit to Take Water which was refused by the Director.

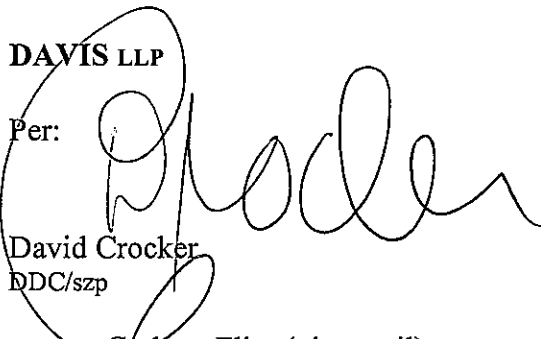

As such, FORCE is interested in the appeal by St. Marys of the refusal of the Director. Could you kindly ensure that all notices with respect to this matter are, therefore, sent to us.

If you have any questions, please do not hesitate to contact me.

Yours truly,

DAVIS LLP
