Community Call to Action

Time To Show St Marys Our United Opposition

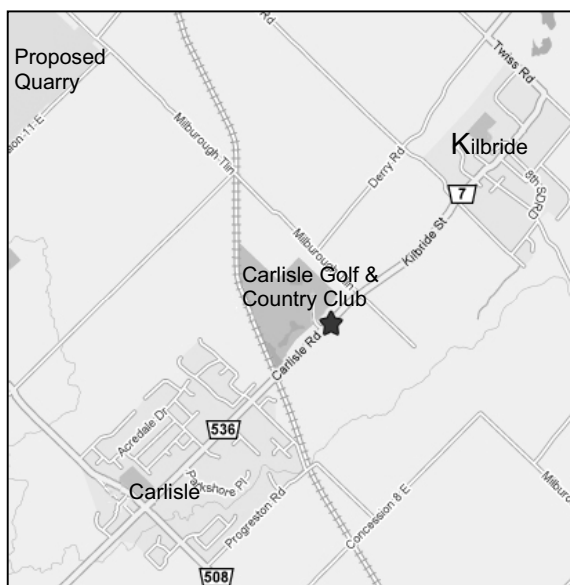

On **Thursday November 29th, 2007** St Marys Cement CBM is holding a second Public Information Centre Meeting regarding their ongoing Haul Route Study for the proposed Flamborough Quarry. The meeting will be held from **4:00 pm to 9:00 pm** at the Carlisle Golf and Country Club, a **presentation is scheduled for 7:00 pm**.

**Numbers can Speak Volumes!
We'd like you to be there!**

Whether you come early or late, we suggest you try to attend the **presentation at 7 pm**. We promised that our anger would turn to resolve, and our resolve into action, and that is exactly what has happened. Demonstrate your personal outrage by attending this meeting and let your concerns be heard.
