Dear Minister Cansfield:

Re: St. Marys Cement (Canada) Inc. Flamborough Quarry Notification Period

In accordance with Council's direction, I am writing to advise you that the following motion was passed by Halton Regional Council on May 6, 2009.

THAT the Regional Chair write a letter to the Minister of Natural Resources and St. Marys Cement Inc. (Canada) advising that Halton Regional Council objects to the application for a licence under the Aggregate Resources Act (ARA) for the proposed St. Marys Cement Inc. (Canada) Flamborough quarry for the reasons set out in Report No. LPS47-09.

I trust the Province will give careful consideration to our formal objection to the issuance of a licence under the Aggregate Resources Act until all matters can be fully considered.

A copy of Report LPS47-09 is enclosed for your information. Should you have any questions, please contact Ron Glenn, Director of Planning Services, at Ext. 7966.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Carr".

Gary Carr
Regional Chair
