

Act for Clean & Safe Drinking Water Sources for Carlisle

Join us for an Open House
to learn about Source Water Protection in Carlisle

The City of Hamilton and the Halton-Hamilton Source Protection Region are promoting programs and initiatives that address protecting the source of our drinking water. Resources are available to help you protect the quality and quantity of water in your area.

WEDNESDAY, JANUARY 23rd, 2008
Carlisle Community Centre, 1496 Centre Rd., Carlisle

6:00 p.m. to 7:00 p.m. ~ Open House
7:00 p.m. to 9:00 p.m. ~ Presentations to learn more about:

- ~ Clean Water Act
- ~ Source Protection Program Funding
- ~ Septic System Pump Out Raffle
- ~ **Septic System Management**

We need your participation to make this a success!
